To be completed by Rabbi

Dear Rabbi,

Due to the current Code of Practice with regards to the admissions process for Faith Schools, we are requesting your help in assessing the suitability of the above mentioned Applicant for a place at our School. As part of the application process we have asked the family for the name of their synagogue Rabbi or a Rabbi that knows them well.

Hasmonean Ethos Statement

The ethos of the school is based unambiguously on the principles of Orthodox Judaism. At the core of those principles is a recognition that both the written and Oral Torah are Divine. The principles are enshrined in the Shulchan Aruch, the Code of Jewish Law, and its commentaries, which delineate the laws, customs and values of an Orthodox Jewish lifestyle.

It is the school's aim to educate boys and girls to conduct themselves in strict adherence to the Orthodox Jewish lifestyle throughout their lives. In addition, it is the School's purpose to provide its pupils, dependent on their individual capabilities, with the knowledge and skills to enable them subsequently to take their place in society, for example in the worlds of Jewish learning, teaching or social service, or in the general academic, professional or business worlds.

The School in particular places special value on:

- a. Motivating pupils to engage in continual Torah study
b. Derech Eretz - respect for others, both within the School community and in the outside world
c. Integrity in all aspects of behaviour
d. Inculcating a special concern for Israel and for all of our people living there.

The School is apolitical with respect to issues in the community, in general society, and in relation to Israel.
