9 Students achieved 4 A-levels at Grade A (9 Boys)
17 Students achieved 3 A-levels at Grade A (8 Girls 9 Boys)

PRESS RELEASE:

Once again, Hasmonean boys and girls have achieved outstanding results in their A-levels this year, meeting the school's high expectations. The results have increased again this year: the average point score was up 10 points to 306, which was double the improvement achieved last year. 26 students gained straight A grades at A-level.

Special mention should be made of Hanna Herzog who achieved 6 A-levels.

Executive Headteacher, David Fuller commented, "These excellent results reflect the hard work and commitment of the students, high quality and dedicated staff and the strong partnerships we have with parents and Governors. I thank everyone involved for their contribution. Considering that our students are also involved in a wide range of communal activities and raise large sums of money for charity, their results are to be particularly commended."

The majority of our students will be continuing their studies in Yeshiva or Seminary, before going on to University.

Headteachers of the Boys' and Girls' Schools, Rabbi David Meyer and Mrs Beverley Perin said, "We are extremely proud of all our students' achievements and are delighted that their efforts have been richly rewarded. These results, which are amongst the best in the country, have been achieved whilst our students have dedicated a substantial amount of their time and energy towards learning Torah and acting as responsible members of the community. This is what is at the very heart of Hasmonean".

MOST OF THESE CANDIDATES HAVE ALSO PASSED ADDITIONAL SUBJECTS AT AS LEVEL WITH OUTSTANDING GRADES.
