Statement of the School's Religious Nature

As a faith school, and in accordance with the School Admission Code, we prioritise Orthodox Jewish girls if the school is oversubscribed. Governors trust that parents who have chosen this school for their daughter have done so knowing it is an orthodox Jewish school and they hope parents will give their full support to its distinctive orthodox Jewish practices.

OTHER INFORMATION

The School Admission Code prioritises children who are in care under the provision of the Education (Admission of Looked After Children) (England) Regulations 2006 (see definition in the admissions criteria). This includes previously 'looked after' children who were looked after but ceased to be so because they have been adopted or made subject to a child arrangements or special guardianship order. If you are applying under this provision please tick this box.

To the best of my knowledge all the above information is correct.

Please note: Places will be allocated in reliance on the accuracy of the information provided. The school reserves the right to verify the accuracy of that information and if it is subsequently discovered that a place has been offered on the strength of false or misleading information, the place may be withdrawn.
