

Hasmonean Internal Appeals Procedure

Appeals against internally assessed marks (GCSE controlled assessment, GCE coursework units and Non-Examination Assessments)

Hasmonean High School is committed to ensuring that whenever its staff mark candidates' controlled assessment/coursework this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

This procedure confirms Hasmonean High School compliance with JCQ's *General Regulations for Approved Centres 2017-2018, section 5.8* that the centre has in place "a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates" and that the centre "must inform candidates of their centre assessed marks as a candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body."

Certain components of GCSE and GCE qualifications (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments) that contribute to the final grade of the qualification are internally assessed (marked) by the subject teacher. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Hasmonean High School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that this may not have happened in relation to his/her work, he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

An appeal may only be made against the assessment process and not against the mark submitted to the awarding body. Please also be aware that marks may go down as well as up on appeal, and the mark following the appeal will stand.

1. Hasmonean High School will ensure that candidates are informed of their centre assessed raw marks by their subject teacher by **12th April 2018**.
2. Hasmonean High School will inform candidates that they may request copies of materials (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment. This procedure and all associated information will be published on the school website well in advance of 12th April 2018, and the subject teacher will inform students where the appeal can be found. Parents will also be informed, in writing, of the location of the documents. Requests need to be made by **17th April 2018**.
3. Hasmonean High School will, having received a request for copies of materials, promptly make them available to the candidate by **Friday 20th April 2018**.

4. Hasmonean High School will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.
5. Requests for reviews of marking **must** be made in writing by **27th April 2018** by completing the **internal appeals form** and returning this plus the required fee to the exams officer. In cases of financial hardship, please speak to the Headteacher. The fee is £25; this covers the costs of photocopying, scanning documentation, administering the review, potential cover costs for members of staff and overtime costs for members of staff who are conducting the review.
6. Hasmonean High School will allow 5 working days for the review to be carried out, to make any necessary changes to marks, to inform the candidate of the outcome and report the outcome of the appeal back to the exams officer, all before the awarding body's submission deadline.
7. Hasmonean High School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Hasmonean High School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept in a folder by the exams officer and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.
11. Where work is marked following practical performances filmed or recorded in class, we will not always be able to share this work with parents as there are safeguarding and data protection issues as other students' performances are involved. However, notes and marks will be sent to the parents.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside of the control of Hasmonean High School and is not covered by this procedure.

Appeals against the centre's decision not to support a clerical check, a review of marking, a review of moderation or an appeal

This procedure confirms Hasmonean High School compliance with JCQ's General Regulations for Approved Centres 2017-2018, section 5.14 that the centre has in place "a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical check, a review of marking, a review of moderation or an appeal..."

Candidates will also be informed of the arrangements for post-results services **before** they sit any exams and the accessibility of senior members of centre staff immediately after the publication of results by March 2018.

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, an enquiry about the result may be requested.

Enquiries about results (EARs) offers three services.

- ▶ Service 1 – clerical re-check
- ▶ Service 2 – review of marking
- ▶ Service 3 – review of moderation (this service is not available to an individual candidate)

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for an EAR service 1 or 2 is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. Candidate consent can only be collected after the publication of results.

If a concern is raised about a particular examination result, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting an enquiry supported by the centre.

Where the centre does not uphold a request from a candidate the candidate may pay the appropriate EAR fee to the centre, and a request will be made to the awarding body on the candidate's behalf.

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an internal appeal can be submitted to the centre by completing the internal appeals form at least 14 calendar days prior to the internal deadline for submitting an EAR.

The appellant will be informed of the outcome of his/her appeal, before the internal deadline for submitting an EAR.

Following the EAR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications *Post-Results Services* and *JCQ Appeals Booklet (A guide to the awarding bodies' appeals processes)* will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the EAR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the *JCQ Appeals Booklet*. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within 5 calendar days of the notification of the outcome of the EAR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of receiving the outcome of the enquiry about results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

Appeals procedure following the outcome of an enquiry about results

Where the head of centre remains dissatisfied after receiving the outcome of an EAR, an appeal will be made to the awarding body, following the guidance in the JCQ publications *Post-results services* <http://www.jcq.org.uk/exams-office/post-results-services> and *A guide to the awarding bodies' appeals processes* <http://www.jcq.org.uk/exams-office/appeals>

Where the head of centre is satisfied after receiving the outcome of an EAR, but the internal candidate and/or their parent/carer is not satisfied, they may make a further representation to the head of centre. Following this, the head of centre's decision as to whether to proceed with an appeal will be based upon the centre's internal appeals arrangements. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within **10 calendar days** of the notification of the outcome of the enquiry. Subject to the head of centre's decision, this will allow the centre to process the appeal and submit to the awarding body within the required 14 calendar days. Awarding body fees which may be

charged for the appeal must be paid by the appellant on submission of the internal appeals form. If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

However in summer 2016, JCQ issued the following information in their [Notice to Centres – Post-Results Services and Appeals](#)

The JCQ publication Post-Results Services – Information and guidance to centres for examinations taken in June 2016 and November 2016 sets out common arrangements. Although the published information remains valid for the June 2016 examination series, this supplementary document clarifies some key points associated with the reform of post-results services and appeals.

Centres should also refer to awarding bodies' websites for further information as awarding bodies may offer additional post-results services.

JCQ A guide to the awarding bodies' appeals processes <http://www.jcq.org.uk/exams-office/appeals>

12. Please note that internal candidates and/or their parents/carers are not entitled to appeal directly to the awarding body. Representations must be made to the head of centre where the candidate was entered or registered. The head of centre's decision as to whether to proceed with an appeal is subject to the centre's internal appeals arrangements.

Ofqual GCSE, GCE, Principal Learning and Project Code of Practice

<https://www.gov.uk/government/publications/gcse-gce-principal-learning-and-project-code-of-practice>

- 9.13 The awarding organisation must require centres offering its examinations to ensure that they have in place:
iii.a formal, codified procedure for handling disputes when a candidate or carer disagrees with a decision by the centre not to support an enquiry.
Centres must be required to ensure that the procedures are published and made widely available and accessible to all candidates and their carers.
- 9.14 In deciding whether to support an enquiry or appeal, centres should take account of all relevant factors and afford candidates or their carers a reasonable opportunity to express their views.

However in summer 2016, JCQ issued the following information in the [Notice to Centres – Post-Results Services and Appeals](#)

Ofqual has announced that the Code of Practice in relation to GCE AS, A-level and GCSE qualifications will be withdrawn in August 2016, being replaced by Qualification Level Conditions. Centres may, however, continue to refer to the Code of Practice for the awarding bodies' provision of post-results services and appeals, June 2016 examination series.

Arrangements for the awarding bodies' provision of post-results services and appeals, November 2016 examination series, may be subject to change. Centres will be notified of any changes in due course.

Appellants should consult the full information in the above publications to be fully informed when stating their grounds for appeal.
